Members present: Tom Johnson, Ron Johnson, Dave Krenz, Dave Hoverson, Jerry Hohertz, Cody Johnson, Brian Saxberg, Todd A Noyes, Bonnie Krenz, Dylan Johnson, Chad Johnson and Dawson Hannesson

Minutes from previous meeting on 5-11-2016 were discussed.

Treasurer reported we received the county levy.

Both wings of the commercial building were cleaned. The room between the bathrooms was cleaned and organized. An old wood shelf unit was removed; two new steel ones were hung. The utility room in the commercial building was restored after the insulation.

We discussed parking of derby car hauling trailers down by the bathrooms.

Vendor show sounds to be a big hit. Cooper Implement and Sheyenne Tooling will for sure be bringing larger items. There are some slots available in the building yet.

Meeting adjourned around 8:30pm.
