

Griggs County Fair board meeting 2016-06-08, 6pm @ Commercial Building

Members present: Tom Johnson, Ron Johnson, Dave Krenz, Bonnie Krenz, Hannah Krenz, Dave Hoverson, Jerry Hohertz, Cody Johnson, Brian Saxberg, Todd A Noyes, Dylan Johnson, Chad Johnson and Tyler Johnson

Minutes from previous meeting on 5-25-2016 and 6-1-2016 were discussed Bonnie motioned to accept, Dave H second, motion passed.

Treasurer reported nothing new to report.

Brian mentioned that when Frank comes over he will have the Derbies of Dakotas rules to discuss making ours more in line with one of their classes to hopefully get more cars. From talking to the DoD promoter he stated our rules are in between two of their classes making it hard for guys to reuse cars here or there.

Bonnie reported that the City Council gave us the OK to block off the streets for the fair.

Chad reported that there was interest for a test and tune day but not enough interest to get a club going so we are tabling the light system discussion for the future.

Derby fencing was discussed. We had no real good solutions to keep alcohol out of the pits. May have to brainstorm and come up with a plan derby day.

Bonnie moved to keep the spectator gates the same, Jerry seconded. Motion passed.

That means on Saturday of the fair locations for events as follows.

Bingo: East wing of Commercial Building

Vendors: Larger vendors outside Commercial Building and on the street, smaller vendors in center portion of Commercial Building

4H/Open Class exhibits: West wing of Commercial Building

Kiddie Tractor Obstacle course: Street by barn.

Blow up games: Hockey arena and grass east of little shed.

Map of fence attached on page 2. Snow fence or cattle panels, whichever is easiest per this layout. Street barriers (on the map as yellow) will be provided by the city?

Derby pit was fixed.

Meeting adjourned around 8:30pm.
