

Griggs County Fair board meeting 2016-06-22, 6pm @ Commercial Building

Members present: Tom Johnson, Ron Johnson, Jerry Hohertz, Brian Saxberg, Megan Vig and Chad Johnson

Secretary Report: Previous Minutes not discussed.

Treasurer reported nothing new to report.

We talked about adding an antique tractor pull to the schedule for next year.

We also talked about adding a flea market/junk fest some time, not during the fair.

Chad asked if the Mud Run event could have its own line item in the book keeping so he knew where that event stood in relation to the others.

No motions were made.

Work that night involved working on the wood planking for some bleachers.

Meeting adjourned around 9:30pm.
